Reason for Decision:

The Committee has received written and/or oral submission from the following during the hearing and has taken these submissions into consideration.

- Report from L. Russell, Senior Planner, Infrastructure Services, dated February 5, 2020.
- Report from T. Dulisse, Transportation and Development Technologist, dated January 31, 2020.

The Committee supports the reports by the Senior Planner and the Transportation and Development Technologist, Infrastructure Services, regarding the application and finds the request to be minor in nature, desirable for the appropriate development or use of the lands and believes that the general intent and purpose of the Official Plan and the Zoning by-law are maintained.
