Decision of Committee with Reasons
Re Application for Minor Variance

Planning Act, R.S.O. 1990, c. P.13, ss. 45(8)

Approval Authority: The Corporation of the Town of Orangeville

Applicant: Anthony Ford

Location of Property: Part of Lot 25, Registered Plan 98, Part 1, Reference Plan 7R-2460
24 Caledonia Road

Purpose of Application: The applicant is requesting a minor variance to increase the maximum permitted width of a driveway from 4 metres to 5.4 metres for a lot with frontage of between 6.8 metres and 8.9 metres, to accommodate the minimum required number of legal parking spaces for a semi-detached dwelling and a second dwelling unit.

We, the undersigned, in making the Decision upon this application have considered whether or not the variances requested were minor and desirable for the appropriate development and use of the land and that the general intent and purpose of the zoning by-law and the official plan will be maintained, or in the case of a change in a use of property which is lawfully non-conforming under the by-law as to whether or not this application has met the requirements of Section 45(1) of the Planning Act,

Date Decision Mailed: April 5, 2019

Last Day for Appealing this Decision: April 23, 2019

(Appeals must be received no later than 4:30 p.m. on the above date)

Conditions:

1. **That the applicant submits a revised site plan, indicating best management practices/low impact development features (i.e. location of downspouts) that will be implemented on-site, to the satisfaction of the Town of Orangeville Planning Division.**
2. **That the applicant use permeable material to promote infiltration of surface runoff, thus minimizing any increase in runoff.**

Reason for Decision:

The Committee has received written and/or oral submission from the following during the hearing and has taken these submissions into consideration.

- Report from B. Ward, Manager of Planning, Infrastructure Services, dated April 3, 2019
- Report from R.J. Lackey, Manager of Operations and Development, dated March 26, 2019
- Correspondence from the Region of Peel, dated March 18, 2019

The Committee supports the report of the Manager of Planning, Infrastructure Services, regarding the application and finds the request to be minor in nature, desirable for the appropriate development or use of the lands and believes that the general intent and purpose of the Official Plan and the Zoning by-law are maintained and is consistent with the provincial policy direction for residential intensification and diversified housing form.
