REASONS FOR DECISION (g)

The Chairman stated that in the opinion of the Committee, the Consent for four lots should be granted because the property was designated Residential in the Orangeville Official Plan and would permit single family dwellings as well as semi-detached dwellings and in the Town's Zoning By-law, the property was zoned to permit the use of land for semi-detached units which were being proposed. The applicant has demonstrated that he will be responsible for the construction of a road being the extension of Ontario Street to meet the Town standards and further a Development Agreement will be required to permit the construction of the building.
